Past Leadership

The Emeriti Association was founded in 1988. Dr. Robert Henrickson spearheaded its development with support from then President Lawrence Boger and Provost Jay Boggs. A committee was appointed by the Provost with leadership given to Dr. Henrickson and included three other retirees. The members of this committee are credited as the founding members of the Emeriti Association. Their names are shown below.

For the leadership of the Emeriti Association, the title *Chair* was used first; later *President* was adopted. In 2006, the period for conducting business changed from an academic year to a calendar year. The names of the past chairs and former presidents are shown below.

Membership

From hereon, *Association* is used when referring to the Emeriti Association. Membership in the OSU Emeriti Association is open to all retired employees of OSU, spouses of current or deceased Emeriti members, retired Federal personnel associated with OSU, the Board of Regents, and retirees from other academic institutions within the Oklahoma A&M System. As contained in the Constitution of the Association, other retirees with a significant relationship to Oklahoma State University may become members upon approval of the Emeriti Council. Other retirees should present their interest to the President of the Emeriti Association. A membership application is on the Emeriti Association Web site <<https://emeriti.okstate.edu>>.

Current Association members are encouraged to recruit new members. The monthly dinner meetings are a good way to introduce and inform prospective members. Guests who are prospective members receive a one-time complimentary meal.

Emeriti Council

Management of the Association is vested with the Emeriti Council. A Council member, referred to as a Councilor, serves a three-year term and is limited to two consecutive terms. Current Councilors are shown below. The past president serves as parliamentarian.

Misty Burk provides administrative assistance to the Emeriti Association through support from the Provost's Office. Misty monitors the Emeriti e-mail and telephone messages.

Organizational Structure

Several Standing Committees are authorized by the Bylaws of the Association with oversight by an executive officer of the Emeriti Association. The chart below shows the current structure of the Association.

Association Activities, Committees, and Interest Groups

The Association Bylaws lists several activities, committees, and interest groups. Some committees exist to help the Emeriti Council in managing the Association, and others, such as the interest groups, benefit the membership. The president may appoint ad hoc committees as deemed necessary to carry out the purpose of the organization. The Bylaws appear on the Emeriti Association Web page <<https://emeriti.okstate.edu>>.

Committee and Interest Group Contacts

Listed below are the contact persons and contact information for the standing committees, activities, and interest groups. If more than one name is included, the contact information refers to the committee chair. Participation by the membership is encouraged. Members of the Emeriti Council or a committee representative can provide information about specific committees. This also applies to interest groups and those committees associated with the University shown on the following page. General Information

An overview is provided of some Association policies, committees, and interest groups. For additional information on policies, please contact a member of the Council. Participation by the membership in Association activities is encouraged. If interested in participating on a particular committee or interest group described below, please contact the respective chair as shown on page 6.

Constitution and Bylaws

The Emeriti Association Constitution and Bylaws are on the Emeriti Web site. The Association Policies and Procedures and History are also on the Web site. Every odd year or as needed, the Constitution, Bylaws, and Policies and Procedures are reviewed and, if necessary, amended.

Dues

Annual Membership dues are \$25.00 per person or \$35.00 per couple and are due on January 1. Annual dues not received by March 1 may cause the member's name to be excluded from the updated *Directory*.

Life Membership dues are \$200.00 per person or \$250.00 per couple. Life Membership is a one-time payment at the time the retiree joins the Association.

Checks for annual dues and life membership are payable to the OSU Emeriti Association and should be mailed to the Emeriti Association mailing address shown on the inside of the *Directory* cover.

E-mail Address

Because of the increased amount of Emeriti Association communication now being done by e-mail, it is important that members notify the Emeriti Association office when they change their e-mail address. This can be done by sending an e-mail to the Association office <emeriti@okstate.edu> or by sending a notice of change by regular mail to the address shown on the inside of the *Directory* cover.

Emeriti Council Business Meetings

The Emeriti Council holds its monthly business meetings on the last Monday of the month except for December when the Council meets on the second Monday. Because of the Memorial Day holiday, the Council meets on the prior Monday. The Emeriti Council does not hold a business meeting in June and July. The business meeting location is the Emeriti Suite, Room 101 of the ConocoPhillips OSU Alumni Center. Inclement weather that closes the University on the day of the Emeriti Council meeting automatically cancels the Council meeting.

Facilities Requests

The Emeriti Association facilities are located in the ConocoPhillips OSU Alumni Center. Requests by non-member groups to use the Emeriti Association facilities shall be brought to the Emeriti Council for referral to the Alumni Association for consideration.

Investment Club

The Investment Club is an Association Interest group for Association members who enjoy learning about stock market investing in a friendly, supportive environment. This group elects

its own officers and is governed by a Partnership Agreement and set of Bylaws. Participation requires a modest financial commitment. Each member is a partner and has a share in the Investment Club's stock portfolio. Visitors are welcome at Club meetings. Those interested in joining are required to attend three Club meetings before applying to become a partner. Inclement weather that closes the University on the day of an Investment Club meeting automatically cancels the Club meeting.

Making the Most of Retirement

The Association co-sponsors with the Stillwater Public Library the Making the Most of Retirement monthly presentations. Making the Most of Retirement is an Association special interest group and includes three types of programming: Guest speakers, the armchair travel series, and moderated discussion groups. The meetings are held at the Stillwater Public Library. The Association members receive monthly e-mails indicating the title of the presentation and date and time scheduled. The Web site of the Making the Most of Retirement special interest group is as follows: <<http://retiredinstillwater.wordpress.com>>. Inclement weather that closes Stillwater Public Schools on the day of a Making the Most of Retirement program automatically cancels the program.

Membership Meetings

No fewer than eight meetings of the Association are scheduled each year. These are typically dinner meetings held on the first Monday of each month. Meetings are not held in January, July, nor August. An announcement about the meal and program is e-mailed (some mailed by request) to members. To ensure adequate food and seating, reservations are required by the date noted in the announcement. Inclement weather that closes the University on the day of a Monday Night Dinner meeting automatically cancels the dinner meeting.

Meet and Greet Reception

The Meet and Greet reception precedes the monthly dinner meetings and allows additional time for informal interaction among the dinner attendees. The reception is held in the Emeriti Suite, Room 101, of the ConocoPhillips OSU Alumni Center. Light snacks and both nonalcoholic beverages and wine are offered. A small contribution is accepted to cover the expenditures for the reception.

Members Age 90 and Older

Members age 90 and older receive a complimentary meal at the monthly dinner meetings. Please contact the chair of the Membership Committee when reaching age 90.

News and Periodic Information

Ten newsletters are published each year, which are distributed electronically to Association members. The newsletters are available on the Emeriti Web site <<https://emeriti.okstate.edu>>.

Job Descriptions of Officers and Committee Chairs

Each officer and committee chair shall update his/her job description yearly by the September meeting. The President shall provide a job description to each new officer and committee chair. Copies are made available for the nominating committee to use in contacting candidates. Committee chairs also prepare an end-of-year report.

Programs Committee

The Programs Committee identifies and schedules speakers for the monthly dinner meetings. Suggestions are welcome on topics and speakers, which are referred to the Programs Committee Chair shown on page 6.

Scholarship Program

The Association has a scholarship endowment fund with the OSU Foundation. From it, an annual scholarship is awarded to two OSU students. Donations are welcome. There is the potential for a larger award as the endowment fund grows. A donation is an admirable way to honor and memorialize relatives and friends. Donations are payable to the OSU Foundation. When making such a donation, please indicate to the Foundation that the donation is for the OSU Emeriti Association Scholarship Fund.

Technology Interest Group

The Technology Group is an interest group for Association members who would like to learn more about the use of computers and other technology. Basic and more complex technological information is studied on such topics as Windows basics, computer maintenance and security tips, smart cell-phone use, and new technology among a host of other topics. Helpful explanatory handouts are provided and are available on the Emeriti Web site <<https://emeriti.okstate.edu>>. Inclement weather that closes the University on the day of a Technology Interest Group meeting automatically cancels the meeting.

Volunteers

Requests for Emeriti members to serve as volunteers at campus or other events should be referred to the chair of the Ambassadors/Alumni Relations Committee.

Volunteer opportunities exist for Association members. One such opportunity is distributing programs at the University commencement exercises. Other volunteer opportunities periodically occur. Interest in participating as a volunteer should be referred to the chair of Ambassadors/Alumni Relations Committee shown on page 6.

Web Site

The Association maintains a Web site for the membership. Information on the Web site includes past newsletters, minutes of the Emeriti Council, Emeriti scholarship program for OSU students, and Association membership application among other items. The Web site URL is <<https://emeriti.okstate.edu>>.

HIGHLIGHTS OF 2018

OSU Emeriti Association

Sharon Nivens, 2018 Association President

Association activities and accomplishments during 2018 continued much the same as years past. Officers, council members, committee chairs, and other volunteers strived to keep our Association relevant to our membership. Without the willingness of member volunteers to devote time and effort to ongoing activities, the Association would be hard put to continue. Names of those who have participated in this effort are listed in preceding pages of this *Directory*.

Membership numbers remained at a level comparable to years past. New members were welcomed; and we urge them, along with current members, to check out how to become involved in Association activities. We are saddened to report that we lost 31 members, who are listed in our Memoriam section of the Emeriti Association *Directory* as well as on the Emeriti Web site.

The financial condition remains strong with \$27,492 in total spendable assets at year's end. This amount is less than was reported last year because some funds were moved to our endowed scholarship fund at the OSU Foundation. In 2017, the Association received a generous monetary gift from Kathryn McCollom with a request that the funds be used in a manner most appropriate to needs of the Association. In accordance with that request, in 2018 the Council recommended and implemented spending the gift to create another undergraduate scholarship. This means that in Fall 2019, the Association will award two undergraduate scholarships. The 2018-19 Emeriti scholarship was awarded to Marie Spillman, a junior from Perry, Oklahoma, who is majoring in Accounting.

To remain relevant to our membership, in 2018 initiatives were developed and implemented beginning January 1, 2019. A new communications document has been launched that combines the semi-annual *Newsletter* and the *Update* (distributed at Monday night dinners). The revamped 4-page *Newsletter* is electronically distributed ten times a year via e-mail. It is hoped members will enjoy the expanded and much more current information contained therein. In addition, the Association launched the first comprehensive survey of members. The purpose is to document how OSU retirees stay active and involved in retirement, which will help in serving our members.

The Emeriti Special Interest Groups (Technology, Investment Club, Making the Most of Retirement) continue to be popular. The Making the Most of Retirement special interest group, co-sponsored by the OSU Emeriti Association and the Stillwater Public Library, had 10 meetings during 2018. Seven were speaker programs, two were armchair traveler series programs, and one was a moderated discussion program, which was the first time such a program was offered by Making the Most of Retirement. The Technology group continued to draw attendance from Emeriti members. The Investment Club, which meets twice a month in the Emeriti Suite, also continues to elicit ongoing participation.

The Emeriti Ambassadors, a group of volunteers from within the Emeriti membership, represent the Association by assisting with OSU Commencement ceremonies twice a year. As in the past, Ambassadors are available to assist with Alumni events if needed. The Alumni Center, in partnership with the Emeriti Council, provides office space and a conference room to support Emeriti activities. We are very grateful for this partnership.

Monday Night Dinner meetings continued to be one of the most valued activities, according to members. Nine dinners were held with an average attendance of 83. In addition to dinners held in the Alumni Center, dinners were also held in the Student Union and at Meditations. The May meeting, held at Meditations, is offered in conjunction with the Stillwater Osher Lifelong Learning Institute (OLLI) and is attended by both Emeriti and OLLI members.

The Emeriti Association is extremely grateful for the support we receive from the OSU Provost's Office. It is because of this support that we are able to provide this directory. The Provost also covers the cost of a quarter-time employee who assists us with our mailing list, dinner reservations, printing needs, etc. Without this assistance, it would be difficult, if not impossible, to continue member services.

In Memoriam

The OSU Emeriti Association is saddened by the loss of members who passed in the year 2018. Their names are shown below.
