Past Leadership

The Emeriti Association was founded in 1988. Dr. Robert Henrickson spearheaded its development with support from then President Lawrence Boger and Provost Jay Boggs. A committee was appointed by the Provost with leadership given to Dr. Henrickson and included three other retirees. The members of this committee are credited as the founding members of the Emeriti Association. Their names are shown below.

For the leadership of the Emeriti Association, the title *Chair* was used first; later *President* was adopted. In 2006, the period for conducting business changed from an academic year to a calendar year. The names of the past chairs and former presidents are shown below.

Membership

From hereon, *Association* is used when referring to the Emeriti Association. Membership in the OSU Emeriti Association is open to all retired employees of OSU, spouses of current or deceased Emeriti members, retired Federal personnel associated with OSU, the Board of Regents, and retirees from other academic institutions within the Oklahoma A&M System. As contained in the Constitution of the Association, other retirees with a significant relationship to Oklahoma State University may become members upon approval of the Emeriti Council. Other retirees should present their interest to the president of the Emeriti Association. A membership application is on the Emeriti Association Web site and can be found by accessing the following: <<https://emeriti.okstate.edu/about/membership-application.pdf>>.

Current Association members are encouraged to recruit new members. The monthly dinner meetings are a good way to introduce and inform prospective members. Guests who are prospective members receive a one-time complimentary meal.

Emeriti Council

Management of the Association is vested with the Emeriti Council. A Council member, referred to as a councilor, serves a three-year term and is limited to two consecutive terms. Current councilors are shown below. The past president serves as parliamentarian.

Organizational Structure

Several Standing Committees are authorized by the Bylaws of the Association with oversight by an executive officer of the Emeriti Association. The chart below shows the current structure of the Association.

Association Activities, Committees, and Interest Groups

The Association Bylaws lists several activities, committees, and interest groups. Some committees exist to help the Emeriti Council manage the Association; and others, such as the interest groups, benefit the membership. The president may appoint ad hoc committees as deemed necessary to carry out the purpose of the organization. The Bylaws appear on the Emeriti Association Web page <<https://emeriti.okstate.edu>>.

Committee and Interest Group Contacts

Listed below are the contact persons and contact information for the standing committees, activities, and interest groups. If more than one name is included, the contact information refers to the committee chair. Participation by the membership is encouraged. Members of the Emeriti Council or a committee representative can provide information about specific committees. This also applies to interest groups and those committees associated with the University shown on the following page. General Information

An overview is provided of some Association policies, committees, and interest groups. For additional information on policies, please contact a member of the Council. Participation by the membership in Association activities is encouraged. If interested in participating on a particular committee or interest group described below, please contact the respective chair as shown on page 6.

Constitution and Bylaws

The Emeriti Association Constitution and Bylaws are on the Emeriti Web site. The Association Policies and Procedures and History are also on the Web site. Every odd year or as needed, the Constitution, Bylaws, and Policies and Procedures are reviewed and, if necessary, amended.

Dues

Annual Membership dues are \$25.00 per person or \$35.00 per couple and are due on January 1. Annual dues not received by March 1 may cause the member's name to be excluded from the updated *Directory*.

Life Membership dues are \$200.00 per person or \$250.00 per couple. Life Membership is a one-time payment at the time the retiree joins the Association.

Checks for annual dues and life membership are payable to the OSU Emeriti Association and should be mailed to the Emeriti Association mailing address shown on the inside of the *Directory* cover.

E-mail Address

Because of the increased amount of Emeriti Association communication now being done by e-mail, it is important that members notify the Emeriti Association office when they change their e-mail address. This can be done by sending an e-mail to the Association office <emeriti@okstate.edu> or by sending a notice of change by regular mail to the address shown on the inside of the *Directory* cover.

Emeriti Council Business Meetings

The Emeriti Council holds its monthly business meetings on the last Monday of the month except for December when the Council meets on the second Monday. Because of the Memorial Day holiday, the Council meets on the prior Monday. The Emeriti Council does not hold a business meeting in June and July. The business meeting location is the Emeriti Suite, Room 101 of the ConocoPhillips OSU Alumni Center. Inclement weather that closes the University on the day of the Emeriti Council meeting automatically cancels the Council meeting.

Facilities Requests

The Emeriti Association facilities are located in the ConocoPhillips OSU Alumni Center. Requests by non-member groups to use the Emeriti Association facilities shall be brought to the Emeriti Council for referral to the Alumni Association for consideration.

Investment Club

The Investment Club is an Association Interest group for Association members who enjoy learning about stock market investing in a friendly, supportive environment. This group elects

its own officers and is governed by a Partnership Agreement and set of Bylaws. Participation requires a modest financial commitment. Each member is a partner and has a share in the Investment Club's stock portfolio. Visitors are welcome at Club meetings. Those interested in joining are required to attend three Club meetings before applying to become a partner. Inclement weather that closes the University on the day of an Investment Club meeting automatically cancels the Club meeting.

Membership Meetings

No fewer than eight meetings of the Association are scheduled each year. These are typically dinner meetings held on the first Monday of each month. Meetings are not held in January, July, nor August. An announcement about the meal and program is e-mailed (some mailed by request) to members. To ensure adequate food and seating, reservations are required by the date noted in the announcement. Inclement weather that closes the University on the day of a Monday Night Dinner meeting automatically cancels the dinner meeting.

Meet and Greet Reception

The Meet and Greet reception precedes the monthly dinner meetings and allows additional time for informal interaction among the dinner attendees. The reception is held in the Emeriti Suite, Room 101, of the ConocoPhillips OSU Alumni Center. Light snacks and both nonalcoholic beverages and wine are offered. A small contribution is accepted to cover the expenditures for the reception.

Members Age 90 and Older

Members age 90 and older receive a complimentary meal at the monthly dinner meetings. Please contact the chair of the Membership Committee when reaching age 90.

News and Periodic Information

Ten newsletters are published each year, which are distributed electronically to Association members. The newsletters are available on the Emeriti Web site <<https://emeriti.okstate.edu>>.

Job Descriptions of Officers and Committee Chairs

Each officer and committee chair shall update his/her job description yearly by the September meeting. The President shall provide a job description to each new officer and committee chair. Copies are made available for the nominating committee to use in contacting candidates. Committee chairs also prepare an end-of-year report.

Programs Committee

The Programs Committee identifies and schedules speakers for the monthly dinner meetings. Suggestions are welcome on topics and speakers, which are referred to the Programs Committee Chair shown on page 6.

Scholarship Program

The Association has a scholarship endowment fund with the OSU Foundation. From it, an annual scholarship is awarded to two OSU students. Donations are welcome. There is the potential for a larger award as the endowment fund grows. A donation is an admirable way to honor and memorialize relatives and friends. Donations are payable to the OSU Foundation. When making such a donation, please indicate to the Foundation that the donation is for the OSU Emeriti Association Scholarship Fund.

Technology Interest Group

The Technology Group is an interest group for Association members who would like to learn more about the use of computers and other technology. Basic and more complex technological information is studied on such topics as Windows basics, computer maintenance and security tips, smart cell-phone use, and new technology among a host of other topics. Helpful explanatory handouts are provided and are available on the Emeriti Web site <<https://emeriti.okstate.edu>>. Inclement weather that closes the University on the day of a Technology Interest Group meeting automatically cancels the meeting.

Volunteers

Requests for Emeriti members to serve as volunteers at campus or other events should be referred to the chair of the Ambassadors/Alumni Relations Committee. Volunteer opportunities exist for Association members. One such opportunity is distributing programs at the University commencement exercises. Other volunteer opportunities periodically occur. Interest in participating as a volunteer should be referred to the chair of the Ambassadors/Alumni Relations Committee shown on page 6.

Web Site

The Association maintains a Web site for the membership. Information on the Web site includes names of officers, committee chairs, committee representatives, past newsletters, minutes of the Emeriti Council, Emeriti scholarship program for OSU students, and Association membership application among other items. The Web site URL is <<https://emeriti.okstate.edu>>.

HIGHLIGHTS OF 2020 and 2021 OSU Emeriti Association

Michael Lorenz, 2020-21 Association President

The pandemic of the past two years has caused many disruptions in our lives and in the functions of the Emeriti Association. In the Spring of 2020, Monday Night Dinners (MND) were suspended, and meetings of the executive committee and Council were held via Zoom. We continued to do the business of the Association. Dues were suspended for 2020 and 2021 and were reinstated beginning January 2022. Dinner meetings were restarted in the Fall of 2021 with dinners held at the Alumni Center October 18 and November 8. The annual Christmas dinner was held at Legacy Village and was very well attended. We anticipate a full calendar of dinner meetings for 2022. Largely due to the pandemic, several of the special interest groups have been discontinued. The Investment Club and Technology Interest Group continue into 2022.

Membership numbers have decreased in the past two years (473 in 2019 compared to 445 in 2021). From January 2020 through December 2021, 20 individuals joined the association including 13 new lifetime members. New members are already engaged by assuming committee appointments. During the past two years, 27 members were deceased whose names are listed in the In Memoriam section of the directory.

The financial condition of the Association is strong. While we collected lower receipts during the past two years (recall that annual dues were suspended during this period) our expenses were also lower due to cancellation of Monday Night Dinners. During the two-year period, we took in \$826.00 in annual dues and \$1850.00 in lifetime memberships. The non-COVID 5-year averages for annual and lifetime dues are \$2,123 and \$2,260 respectively. Meal receipts for MND meetings were less than expenses for catering and room rental. Much of the difference is paid using cash available in the General Endowed Fund. The subsidy is continually reviewed and is endorsed by the Council to keep the cost of meals at \$15 to encourage attendance at MND.

The Association has two endowed funds with the OSU Foundation. The Scholarship Fund has an endowed value of \$53,000. In 2020-2021, scholarship recipients were Alyssa Hoyle, a senior from Alma, Arkansas, majoring in Animal Science – Pre Vet, and Bailey Lockhart, a senior from Muskogee, majoring in Agricultural Leadership. For 2021-2022, recipients were Braxton Beuke, a senior from Woodward, majoring in Aerospace and Mechanical Engineering, and Alexis Van Pelt, a senior from Broken Arrow, majoring in Physiology and Biology – Pre Med. For this academic year, each recipient received about \$950.00.

The “General” Endowed fund has a value of about \$68,200 as of November 30, 2021. The corpus continues to grow; and there are ample earnings to help underwrite expenses for MND. Contributions to either of the Association’s endowed funds are welcome at any time. The OSU fund numbers are 20-91150 and 20-72400 for the Scholarship and General Funds respectively.

Our partnership with the Alumni Center continues to thrive. We developed an updated memorandum of understanding with the Alumni Center. We are thankful for the support of President Rob McInturf and his staff.

The Emeriti Association is very grateful for the support we receive from the OSU Office of the Provost. Ms. Coral White is very helpful in assisting the membership committee by providing a list of recent retired faculty and staff who are invited to join the association. Ms. Sofia Gustafson is providing administrative support to the association. She is doing a wonderful job, and we really appreciate her support.

I want to especially thank Sharon Nivens for her work on the Council and for successfully completing 2 years as our President. Ron Elliott has served the association for 7+ years as our treasurer and has done a tremendous job. He will step down in March and will be replaced by Ron Miller. Faye Ann Presnal served as Vice President for Activities in 2020 and did an excellent job. Priscilla Gerfen now serves in this capacity and has arranged several outstanding programs for 2021-2022. I appreciate the timely work of Kay Keys, our secretary. She completes her term of office at the end of this year, and we will need to find her replacement. Clem Ward coordinates meal functions for MND and does an outstanding job. And finally, we are indebted to Zane Quible for his dedication in maintaining our Web site, publishing the newsletter, editing and publishing the directory, and helping organize several special interest groups. This is Zane's last year for these activities, and finding his replacement will be difficult. Please give these individuals a big thank you for their service.
