### Past Leadership

The Emeriti Association was founded in 1988. Dr. Robert Henrickson spearheaded its development with support from then-President Lawrence Boger and Provost Jay Boggs. A committee was appointed by the provost with leadership given to Dr. Henrickson and included three other retirees. The members of this committee are credited as the founding members of the Emeriti Association. Their names are shown below.

For the leadership of the Emeriti Association, the title *Chair* was used first; later *President* was adopted. In 2006, the period for conducting business changed from an academic year to a calendar year. The names of the past chairs and former presidents are shown below.

## Membership

From hereon, *Association* is used to refer to the Emeriti Association. Membership in the Association is open to all retired employees of OSU, spouses of current or deceased Emeriti members, retired Federal personnel associated with OSU, the Board of Regents, and retirees from other academic institutions within the Oklahoma A&M System. As contained in the Constitution of the Association, other retirees with a significant relationship to Oklahoma State University may become members upon approval of the Emeriti Council. Other retirees should present their interest to the president of the Emeriti Association. A membership application is on the Emeriti Association Web site and can be found by using the following: <<https://emeriti.okstate.edu/about/membership-application.pdf>>.

Current Association members are encouraged to recruit new members. The monthly dinner meetings are a good way to introduce and inform prospective members. Guests who are prospective members receive a one-time complimentary meal.

## Emeriti Council

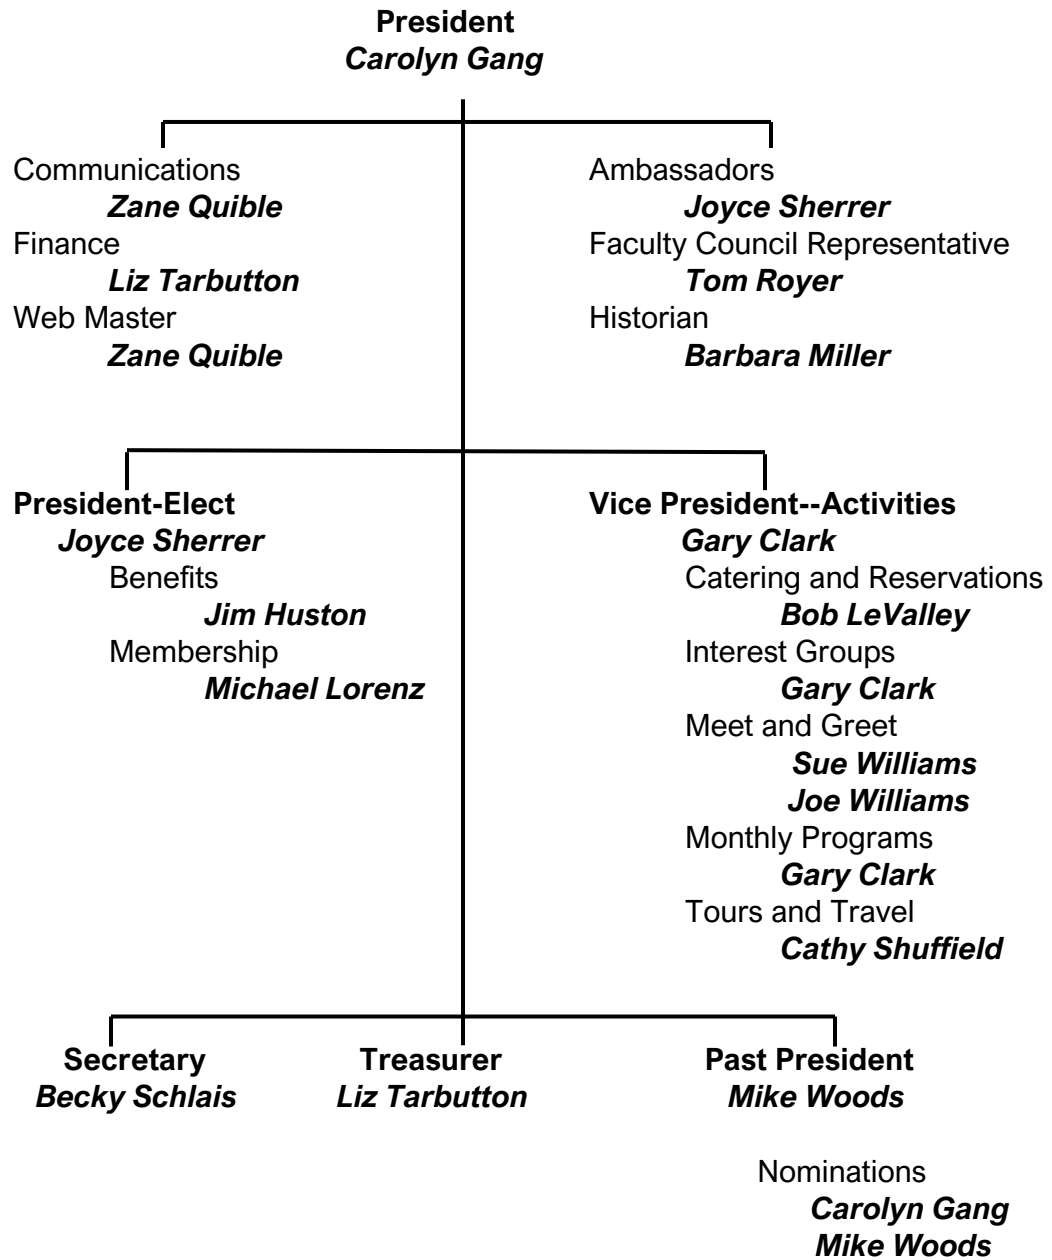

Management of the Association is vested with the Emeriti Council. A Council member, referred to as a councilor, serves a three-year term and is limited to two consecutive terms. Current councilors are shown below. The past president serves as parliamentarian.

### Organizational Structure

Several Standing Committees are authorized by the Bylaws of the Association with oversight by an executive officer of the Emeriti Association. The chart below shows the current structure of the Association.

### Association Activities, Committees, and Interest Groups

The Association Bylaws lists several activities, committees, and interest groups. Some committees exist to help the Emeriti Council in managing the Association; and others, such as the interest groups, benefit the membership. The president may appoint ad hoc committees as deemed necessary to carry out the purpose of the organization. The Bylaws appear on the Emeriti Association Web page <<https://emeriti.okstate.edu>>.

#### Committee and Interest Group Contacts

Listed below are the contact persons and contact information for the standing committees, activities, and interest groups. If more than one name is included, the contact information refers to the committee chair. Participation by the membership is encouraged. Members of the Emeriti Council or a committee representative can provide information about specific committees. This also applies to interest groups and those committees associated with the University shown on the following page. ## General Information

An overview is provided of some Association policies, committees, and interest groups. For additional information on policies, please contact a member of the Council. Participation by the membership in Association activities is encouraged. If interested in participating on a particular committee or interest group described below, please contact the respective chair as shown on page 6.

### Constitution and Bylaws

The Emeriti Association Constitution and Bylaws are on the Emeriti Web site. The Association Policies and Procedures and History are also on the Web site. Every odd year or as needed, the Constitution, Bylaws, and Policies and Procedures are reviewed and, if necessary, amended.

### Dues

Annual Membership dues are \$25.00 per person or \$35.00 per couple and are due on January 1. Annual dues not received by March 1 may cause the member's name to be excluded from the updated *Directory*. Annual members who pay their dues for 10 years automatically become life members, and they no longer pay annual dues.

Life Membership dues are \$200.00 per person or \$250.00 per couple. Life Membership is a one-time payment at the time the retiree joins the Association.

Checks for annual dues and life membership are payable to the OSU Emeriti Association and should be mailed to the Emeriti Association mailing address shown on the inside of the *Directory* cover. After a member has paid 10 years of annual dues, he/she is granted life-member status and is not obligated to pay additional membership dues.

### E-mail Address

Because of the increased amount of Emeriti Association communication now being done by e-mail, it is important that members notify the Emeriti Association office when they change their e-mail address. This can be done by sending an e-mail to the Association office <[emeriti@okstate.edu](mailto:emeriti@okstate.edu)> or by sending a notice of change by regular mail to the address shown on the inside of the *Directory* cover.

### Emeriti Council Business Meetings

The Emeriti Council holds its monthly business meetings on the last Monday of the month except for December when the Council meets on the second Monday. Because of the Memorial Day holiday, the Council meets on the prior Monday. The Emeriti Council does not hold a business meeting in June and July. The business meeting location is the Emeriti Suite, Room 101 of the ConocoPhillips OSU Alumni Center. Inclement weather that closes the University on the day of the Emeriti Council meeting automatically cancels the Council meeting.

### Facilities Requests

The Emeriti Association facilities are located in the ConocoPhillips OSU Alumni Center. Requests by non-member groups to use the Emeriti Association facilities shall be brought to the Emeriti Council for referral to the Alumni Association for consideration.

**Investment Club**

The Investment Club is an Association interest group for Association members who enjoy learning about stock market investing in a friendly, supportive environment. This group elects its own officers and is governed by a Partnership Agreement and set of Bylaws. Participation requires a modest financial commitment. Each member is a partner and has a share in the Investment Club's stock portfolio. Visitors are welcome at Club meetings. Those interested in joining are required to attend three Club meetings before applying to become a partner. Inclement weather that closes the University on the day of an Investment Club meeting automatically cancels the Club meeting.

**Membership Meetings**

No fewer than eight meetings of the Association are scheduled each year. These are typically dinner meetings held on the first Monday of each month. Meetings are not held in January, July, nor August. An announcement about the meal and program is e-mailed (some mailed by request) to members. To ensure adequate food and seating, reservations are required by the date noted in the announcement. Inclement weather that closes the University on the day of a Monday Night Dinner meeting automatically cancels the dinner meeting.

**Meet and Greet Reception**

The Meet and Greet reception precedes the monthly dinner meetings and allows additional time for informal interaction among the dinner attendees. The reception is held in the Emeriti Suite, Room 101, of the ConocoPhillips OSU Alumni Center. Light snacks and both nonalcoholic beverages and wine are offered. A small contribution is accepted to cover the expenditures for the reception.

**Members Age 90 and Older**

Members age 90 and older receive a complimentary meal at the monthly dinner meetings. Please contact the chair of the Membership Committee when reaching age 90.

**News and Periodic Information**

Ten newsletters are published each year, which are distributed electronically to Association members. Newsletters are available on the Emeriti Web site <<https://emeriti.okstate.edu>>.

**Job Descriptions of Officers and Committee Chairs**

Each officer and committee chair shall update his/her job description yearly by the September meeting. The President shall provide a job description to each new officer and committee chair. Copies are made available for the nominating committee to use in contacting candidates. Committee chairs also prepare an end-of-year report.

**Programs Committee**

The Programs Committee identifies and schedules speakers for the monthly dinner meetings. Suggestions are welcome on topics and speakers, which are referred to the Programs Committee Chair shown on page 6.

**Scholarship Program**

The Association has a scholarship endowment fund with the OSU Foundation. From it, an annual scholarship is awarded to two OSU students. Donations are welcome. There is the potential for a larger award as the endowment fund grows. A donation is an admirable way to honor and memorialize relatives and friends. Donations are payable to the OSU Foundation. When making such a donation, please indicate to the Foundation that the donation is for the OSU Emeriti Association Scholarship Fund. See page 11 for a cumulative list of Emeriti Scholarship recipients.

**Technology Interest Group**

The Technology Group is an interest group for Association members who would like to learn more about the use of computers and other technology. Basic and more complex technological information is studied on such topics as Windows basics, computer maintenance and security tips, smart cell-phone use, and new technology among a host of other topics. Helpful explanatory handouts are provided and are available on the Emeriti Web site <<https://emeriti.okstate.edu>>. Inclement weather that closes the University on the day of a Technology Interest Group meeting automatically cancels the meeting.

**Volunteers**

Requests for Emeriti members to serve as volunteers at campus or other events should be referred to the chair of the Ambassadors. Volunteer opportunities exist for Association members. One such opportunity is distributing programs at the University commencement exercises. Other volunteer opportunities periodically occur. Interest in participating as a volunteer should be referred to the chair of the Ambassadors Committee shown on page 6.

**Web Site**

The Association maintains a Web site for the membership. Information on the Web site includes names of officers, committee chairs, committee representatives, past newsletters, minutes of the Emeriti Council, Emeriti scholarship program for OSU students, and the Association membership application among other items. The Web site URL is <<https://emeriti.okstate.edu>>.

## OSU Emeriti Association: 2024 At A Glance

### Mike Woods, 2024 President

The OSU Emeriti Association has a rich history with 36 years of activity and contributions to the culture of our beloved university. I genuinely enjoy the interactions and celebrations we all experience as members of the Association. Gary Sherrer passed the gavel to me in January 2024. I had many outstanding role models including Gary, Kent Sampson, Mike Lorenz and other previous presidents. Now, Carolyn Gang assumes the role of president. I know Carolyn and the incoming Council will do an excellent job. The year 2024 was eventful with a few challenges that were met ably by Council members and our volunteers.

Our Monday Night Dinners continued to be a highlight for our association. I always notice the social interaction and joy members exhibit when seeing old friends for the evening. Mary and I have grown to anticipate these dinners as a highlight for each month. It takes a team to plan the dinners from sending out RSVP requests, monitoring attendance, preparing name tags, securing venues, arranging for a caterer, hosting the reception, to scheduling an interesting speaker. The efforts of so many make these dinners happen! Really, what more can you ask for? Great friends, tasty food, an interesting speaker, and a gathering of so many of us who “bleed orange”!

A few events occurred in 2024 that helped us to grow and better understand our organization. Our Association benefits from partnerships with the Osher Lifelong Learning Institute (OLLI) and the Provost’s Office. We share a staff person with OLLI, and this really helps keep our back office running. In mid-year, the current staff person moved across campus to another job, and both we and OLLI were short-handed. Our Association Council and our volunteers stepped up and we kept operating for the remainder of the year. Thankfully, the position is now filled; and we look forward to the continued partnership with OLLI. About the same time in 2024, weather events happened! In Oklahoma, you know the weather can change quickly. We had weather events to deal with on two Monday Night Dinner dates. We learned how to better manage our membership database ourselves and how to quickly communicate with our members.

Our Executive Committee met during the summer of 2024 to review and discuss our financial funds and policies we have in place to guide decisions. We also benefitted from new Association member Donna Koeppe joining us to help us better understand our OSU Foundation funds. We were pleased to confirm our overall financial position remains very bright. In early 2024, our Council made the difficult decision to raise the fee for our Monday Night Dinners from \$15 per person to \$20. This is the first increase in this expense in over a decade and was due to the rise in food and catering costs as our world emerged from the pandemic. As a result of this decision, no subsidy to support Monday Night Dinners was required from our Association reserve fund for the first time in years. Thanks to Clem Ward for handling catering/venue arrangements so well! I know Bob LeValley will do a fantastic job moving forward. Our November 30, 2024, (most recent available at this writing) checking account balance was \$2,619.49. We had three CDs at \$5,339.73, \$4025.49, and

\$3,500.00. Our OSU Foundation Endowment Fund had a balance of \$67,759.05, and our Scholarship Fund had a balance of \$57,990.21.

Our membership numbers stayed stable in 2024 at around four hundred in total. Mike Lorenz does an excellent job recruiting new members as OSU faculty and staff retire. We also find “word of mouth” from current members is a terrific way to recruit new members. Our partnership with the OSU Alumni Center is outstanding and appreciated. Ann Caine supports our organization and is great to work with. We have an office on the second floor of the Alumni Center to house our records and files as well as our desktop computer, which is essential for our organization. We have Emeriti volunteers who assist the Alumni Center in hosting the fall tailgate events prior to home football games. Joyce Sherrer led the way in this activity as our Ambassador Chairperson.

Our partnership with OLLI is great. Robyn Davis is a delight to work with. We have many members who enjoy the excellent educational programs offered by OLLI. What a wonderful year for our Emeriti Association! It is an honor to collaborate with our members and elected leadership. I look forward to many more years of successful efforts supporting Oklahoma State University!
